To my Precious Church Family

My heartfelt thanks to each of you for your prayers, good wishes, cards, visits, and for being there for me at all times during my recent hospital stay. Your support was overwhelming and rather humbling to me. I had never dreamed of so much love and concern. Thank you from the bottom of my heart.

My illness led me through some very challenging times. But the Lord brought me through the deep waters and rescued me. Hard and painful as the lessons were, they brought me so much closer to Him. And for that I shall forever be grateful to Him.

And I am grateful to you for your prayers which were answered fully.

I don't know what the future holds, but I know that I can always count on the Lord's leading.

With a grateful heart,

Alice Reutlinger
